*No More Power Struggles!
Successful Strategies for Raising Spirited Children*

May 14, 2009

6:30-8:30 PM

at

*The Carriage House
1119 Lisbon St.
Lewiston, Maine 04240*

This presentation is for parents and caregivers of children who are spirited: more intense, sensitive, perceptive, persistent, and energetic.

The Director of Parentchildhelp.com, Mary provides training nationally and internationally to thousands of families and the professionals who serve them. Licensed as a parent educator and early childhood teacher, Mary strives to link research based information and practical solutions for typical tough times faced by families and professionals. She has pioneered efforts to bring temperament, neurobiology, the importance of sleep and emotion coaching into homes, schools, medical practices and businesses. Her presentations help participants to better understand children and themselves as well. Mary is the author of four books including *Raising Your Spirited Child*.
